

1. You will need crayons, Scissors and Glue.

2. Color all numerals, don't forget the Cat!

3. Carefully cut and separate the handle for the lantern.

4. Carefully cut the fringes of the lantern.

5. Now glue the edge of one side of the lantern.

6. Roll one side of the lantern and glue it to the other side.

7. Glue the tip of one end of the handle and attach it to the lantern.

8. Now do the same with the other side of the handle.

Hen Hao!
That means
VERY GOOD!
